Subject: LCP Bill

Hi Prashant,

I am touching bases informally with you as Stacey just let me know the LCP bill hasn't been paid, the time period for a dispute on the bill has past, and she hasn't heard from your counsel. I remember we talked a couple of weeks ago and I indicated that EPA was willing to adjust to the billing to be clear that some of the charges in the past time period have been for the RI support for OU2 and not just the OU2 Removal Action. As I understand it, EPA has not received any formal request/dispute on the matter. Please let me know if there is an issue. EPA believes work is going well at LCP and supports continuing to move forward on all the OUs.

Thanks!

Sincerely,
